

# TRACK CLEANING SLOT CAR

## CLEAN TRACK. FASTER CARS.

Keep your track in peak condition with the Slot Boss Track Cleaning Slot Car. Designed to remove dust, debris and rubber build-up for smoother runs and better racing.

**EFFECTIVE CLEANING**  
Dual front and rear cleaning pads lift dust and grime.

**REALISTIC DESIGN**  
Detailed 1:#2 scale truck with driver figure.

**TRACK READY**  
Self driven operated track cleaning-hands off system.

**PATENT PENDING  
CLEANING FLUID TECHNOLOGY**  
Advanced formula helps break down and lift tough build-up for a deeper clean.

**AND MUCH MORE**  
Built for performance.  
Made for racers.

### DUAL CLEANING PADS

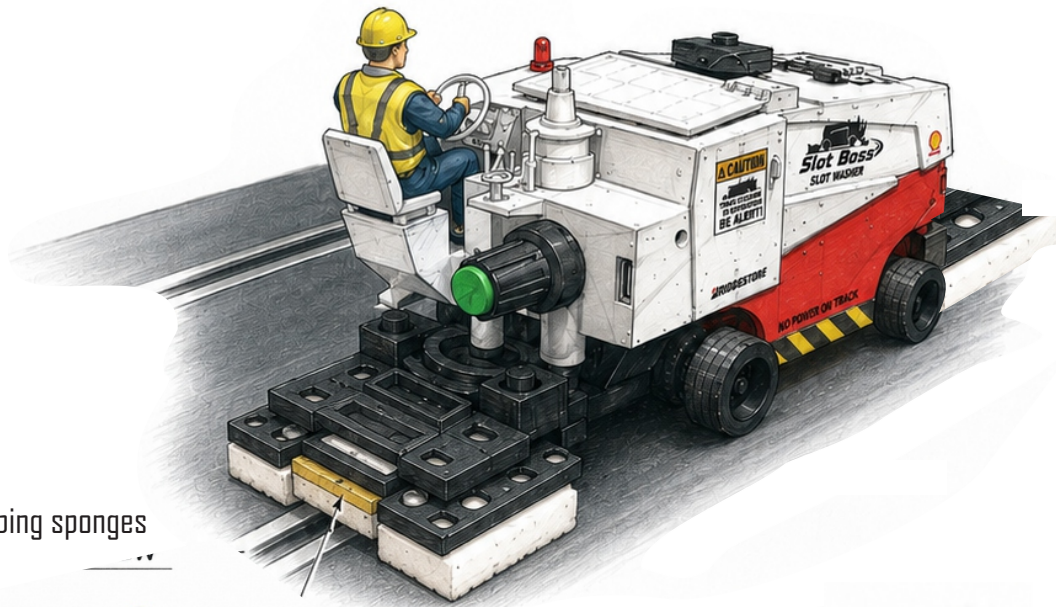

Front and rear pads work together to keep your slot track race-ready.
